EVOLVERS – Act I: Gathering of the Four

Stage 1 – Narrative Integration

Layer	Content	Purpose
I	Origin Scene (ancestral era)	establishes cultural root and mythic technology
II	Modern Rebirth Scene	shows current-era activation and personality
III	Cultural Matrix Table	kingdom ↔ device ↔ justice function mapping
IV	Love & Kinship Thread	humanizes lineage through relationship and duty
V	Ritual Interface	links character powers to BLEUChain economic tokens

Stage 2 – Atlas Composition

Embed long Afro-scientific sections into the Codex Appendix as:
1. Mathematical Scrolls → for academy curriculum
2. Industrial Scrolls → for investor / manufacturing decks
3. Ceremonial Glyph Register → for visual identity & film props

Stage 3 – Screen Manuscript Formatting

Two synchronized outputs:
1. Cinematic Script — EVOLVERS – Act I : "Gathering of the Four" (dialogue, cues, camera rhythm)
2. Ceremonial PDF Scroll — Codex Edition (ritual tone, academic and investor-ready)

Stage 4 – Mint & Governance Setup

Asset	Token	Function
Evolvers: Genesis Film	Blu-Tillion	cultural yield stream
Ceremonial Scroll PDF	ScrollCoin	academic + tribunal record
Hero Scene ENFTs	PraiseCoin / FlameCoin	performance + defense
Atlas Blueprint	Zioniare	governance + infrastructure
